Union Business - At the written request of the Union, the Employer shall grant either an officer of the Union or a duly elected or appointed representative of the Union, not to exceed one (1) employee at any one time, a leave of absence without pay for a period not to exceed one (1) year or the period of elected office, provided that such leave will not interfere with the food service operations covered by this Agreement. The purpose of this leave is to permit the representative to work for the International, District Council and/or the Local Union on Union business. During the period of such a leave of absence an employee will not accrue seniority, nor will the Employer have any obligation for continuation of benefits as specified elsewhere in this Agreement. Such leaves may be extended upon written request thirty (30) days prior to the termination thereof.
- b. Other Leaves - Unpaid leaves of absence may be granted at the discretion of the Employer to all employees for a specific period and for a specified reason such as family illness, study or travel. All requests for such leave shall be made in writing at least one month prior to the desired commencement of the leave, if possible and shall indicate the approximate date of return. Such leaves may be granted for a period up to six (6) months, and the granting of such leaves will be determined on the basis of the legitimacy of the request and the Employer's operating requirements. The Employer will also comply with the provisions of the Family and Medical Leave Acts.
- c. An employee shall be eligible for disability leave if unable to work due to illness or injury, including pregnancy related disability. Upon request by the Employer, medical evidence must be submitted that the employee is so disabled.

When an employee returns to work following all authorized unpaid leaves of absence, that employee shall be reinstated to the employee's former position. The exception to this section shall be in cases of approved, unpaid disability leave in which case the employee will continue to be covered by the medical insurance as set forth in Article 21, Section 1(e) & (f). The Employer will also comply with the provisions of the Family and Medical Leave Acts.

ARTICLE 28 – GRIEVANCE PROCEDURE

Section 1 - A grievance is a dispute, claim, complaint, or difference of opinion, involving the interpretation or application of terms of this Agreement.

Section 2 - This Agreement sets forth the basic terms and conditions of employment, and is intended to continue the present and good relations between the Employer, its employees, and their Union. In the event of any grievance between the employees and the Employer, the representatives of both agree to make prompt and earnest efforts to settle such matter. Except as provided hereafter all grievances shall be handled as follows:

- STEP 1. The Union Steward and employee shall take up the matter with the immediate supervisor of the employee involved, within five (5) working days after the occurrence first giving rise to the grievance. If the matter is not settled as a result of their discussion, the steward will submit the grievance to the immediate supervisor in writing, explaining as specifically as possible the

nature of the complaint and the contract provision affected. The immediate supervisor shall give a written answer to the written grievance.

STEP 2. If the grievance is not adjusted within two (2) working days after the receipt of the Employer's response, the grievance shall be taken up at a meeting between a representative of the Union and the Director or his/her designated representative. The meeting will be held within five (5) working days after having been requested.

STEP 3. If the matter is not settled within three (3) working days after the second step meeting, it shall be taken up by the principal officers of the Employer and the Union, or their designated representatives. Every effort shall be made to arrange the meeting within five (5) working days, but in any event the Employer's decision shall be given within ten (10) working days after the third step meeting has been requested.

Section 3 - Special Procedure in Discharge Cases – The procedure set forth above will be modified in discharge cases as follows:

- a. The Employer agrees that, subject to the right of suspension by the Employer, no employee covered by this Agreement will be finally discharged without being given a hearing, provided that a request for hearing is presented in writing and signed by the affected employee within three (3) working days after notice of suspension and/or discharge. Any such request for hearing shall constitute a grievance entered at Step 2 and be handled as hereinafter provided.
- b. The Step 2 meeting will be held within three (3) working days after having been requested.
- c. The Employer's answer in Step 2 will be given within three (3) working days after the Step 2 meeting.
- d. The Step 3 meeting will be held within five (5) working days after having been requested.
- e. The Employer's answer in Step 3 will be given within ten (10) working days after the Step 3 meeting.
- f. Otherwise the procedure will be as above.

If it is ultimately decided that such suspension and/or discharge is unjust the employee may be reinstated, as agreed to by the parties.

The Employer agrees to furnish the Union with copies of all written warnings. The Employer also agrees that employees will not be disciplined in public.

Section 4 - Employee's Right to Present Individual Grievance. - The Union and the Employer jointly acknowledge the right of any of the employees involved to present individual grievances directly to the representatives of the Employer and to work out the settlement of such individual grievance. This right shall not be interpreted to include decisions on wages, hours, and working conditions which affect the Union group as a whole, or any department as a whole, or which are contrary to the provisions of this Agreement.

Section 5 - The grievance procedure and arbitration provided herein shall constitute the sole and exclusive method of determination, decision, adjustment, or settlement between the parties of any and all grievances and the grievance and arbitration procedure provided herein shall constitute the sole and exclusive remedy to be utilized.

Section 6 - An employee who feels aggrieved by an order to perform a certain task shall not refuse to perform the task; but shall perform the same and then submit any complaint as a grievance. Otherwise a refusal shall be grounds for discharge and shall be subject to the grievance or arbitration procedure.

Section 7 - Group Grievance – The parties shall, by mutual agreement, allow a designated spokesperson to file a group grievance pertaining to the interpretation and/or application of this Agreement when it is deemed impractical to process individual grievances from a large and well-defined group of employees having an identical complaint; said grievance shall be filed in writing, list by name the employees involved, and signed by the spokesperson and presented at Step 2 of the procedure.

Section 8 - The time limits specified in the Section shall be deemed to be substantive provisions and failure to observe each and every such time limitation shall be a complete bar to any further action by reason of such grievance, unless extended by written consent signed by the Employer and the Union which consent shall not be unreasonably withheld by either party. The terms “working day” and “working days” wherever used in this Section shall mean and include any calendar day other than a Saturday, Sunday or holiday.

Section 9 - The Employer shall have the right to initiate Step 2 and 3 of the grievance procedure with respect to any grievance, dispute or difference. Such initiation shall be by letter from the Employer to the Business Agent of the Union.

ARTICLE 29 – ARBITRATION

Section 1 - In the event that a satisfactory settlement of a grievance is not worked out through the grievance procedure, the Union may take such grievance to arbitration which shall be governed by the provisions of this Article. The grievance procedure shall be followed before the Union may proceed to take a grievance to arbitration. The right to request arbitration shall terminate ten (10) working days following the final grievance meeting or the Employer’s written decision concerning the grievance, whichever period is longer.

Section 2 - To be an issue which is arbitrable hereunder, the grievance must be a dispute, claim, complaint, or difference of opinion, arising under and during the term of this Agreement and it must be a matter of the interpretation or application of some express provision of this Contract. The question of arbitrability shall not be decided by the arbitrator.

Section 3 - Any issue which is arbitrable under the terms hereof, which either the Employer or Union desires to take to arbitration, shall be submitted to arbitration under the Rules of the Federal Mediation and Conciliation Service or the AAA. The parties agree to accept the arbitrator’s award as final and binding upon them. All costs of the arbitrator, including the filing fee, shall be shared equally by the Union and the Employer.

Section 4 - The following principles shall be observed in all arbitrations arising hereunder:

- a. The parties shall present to the arbitrator a submission agreement which shall state precisely the issues to be decided. If the parties cannot agree as to the issue, each party shall submit to the arbitrator its separate written statement as to the issue to be decided.
- b. The party demanding arbitration shall have the burden of proof and the burden of going forward with the evidence.
- c. All witnesses shall be sworn.
- d. The arbitrator shall hear and decide the issue presented, and shall render a written award for or against the party demanding arbitration and shall state his reasons for such award. He shall not mediate the dispute or modify or adjust the action complained of but shall be limited to rendering a decision as aforesaid.
- e. The arbitrator shall have no power to add to subtract from or modify any of the terms of this Agreement; to substitute his discretion for the Employer's discretion in cases where the Employer is given discretion by this Agreement.

ARTICLE 30 – NOTICE OF INTENTION TO LEAVE

Section 1 - If and when an employee covered by this Agreement leaves the service of the Employer, on his or her own initiative, the employee shall give reasonable notice of such intention to his or her supervisor, the length of such reasonable notice to be determined by the Employer, provided that it shall not be a period in excess of one (1) week. If such notice is not given by the employee, such employee shall not be entitled to receive compensation for any accumulated vacation rights to which he or she otherwise would be entitled.

ARTICLE 31 – WORK BY SUPERVISORS

Section 1 - Supervisors shall not normally perform production work, except for instruction, for inspection of work performed, in cases of temporary staff shortages, or emergencies beyond the control of both parties to this Agreement.

ARTICLE 32 – TERM OF AGREEMENT

~~Section 1 - This Agreement shall become effective as of November 2, 2009~~ **2012** and shall continue in effect until midnight, November 2, ~~2012~~ **2015** and thereafter from year to year unless terminated by notice in writing given by either party to the other not less than sixty (60) calendar days prior to the expiration date, or to the end of any subsequent year of this Agreement.

~~The parties mutually agree to a reopener for health insurance and wages if the following conditions apply: the health insurance reopener would be either in year three or after if either the health insurance total cost equals or exceeds \$20,000 for any plan or if an employee is negatively affected by the increases in the health insurance.~~

The Parties mutually agree to a twelve (12) month extension of the current BCBS-RI Health Plans and further agree to a Healthcare Reopener, twelve (12) from the date of ratification following the completion of bargaining on November 4, 2013.
